COMMENTS: Works with children on recycling & he needs for a clean environment. He is working and to educate children & youth. He has worked with Gail who has been very helpful. He said they work on peace issues as well. Said they collected 20 bags of leaves to compose sculpture for 2000, to teach composting. Needs money to continue services, such as leaf pick up, and use of trucks. He asked BC help. They have no money for Earth Day Event. In plus Gail = determine who to call for him. - Action Ask - Purity Dairies, etc.
