**Campus Crime Statistics**

The statistics reported below comply with the amended requirements of the Campus Security Act (Clery Act). New categories have been added to the prior requirements (arson, robbery and internal disciplinary figures for alcohol and drug offenses and weapons possession).

Please note that the statistics represent reported crimes. These reports did not necessarily result in arrest, conviction or internal disciplinary action. A crime report constitutes an allegation made to any one of several campus security authorities or the local police. The report may or may not have been found to have legal merit.

In accordance with the Federal Bureau of Investigation's Uniform Crime Reporting System, the following indicates the number of crimes that occurred on campus for the past three years and specifically offenses reported at Dominican College during the calendar year January 1 to December 31, 2006.
